

Contour North is a **100% Indigenous-owned** advisory firm. We help institutions across Canada strengthen how they lead, decide, and deliver, with senior people who do the work themselves.

CORE COMPETENCIES

■ HR & people advisory

Director-level people strategy, at the fraction you need.

■ Fractional leadership

A senior leader in the seat, for the days you need one.

■ Strategy & planning

A plan on a page that actually gets walked.

■ Training, facilitation & assessments

Certified psychometric facilitation; sessions people use.

■ Governance & board advisory

Organizational and board governance that works in the room.

■ Workplace investigations

Independent, procedurally sound, and documented.

■ Projects & operations

Owned from start to finish, on time and on budget.

■ Applied AI

Practical systems, with a human on anything that matters.

WHY PARTNER WITH CONTOUR NORTH

Real economic reconciliation

As a 100% Indigenous-owned firm, engaging us advances your Indigenous procurement and supplier-diversity commitments, with every dollar reaching an Indigenous business.

Owner-run, senior-led

The people you meet are the people who see the work through, from first conversation to final handover.

A deep bench

28 and 35 years of senior practice across the public and private sectors, from Crown corporations to industry.

Ready across Canada

Remote-first, on-site when it counts, and proposal-ready for your next RFP.

INDIGENOUS PROCUREMENT

Contracting Contour North counts toward your Indigenous procurement goals.

A 100% Indigenous-owned (Inuvialuit) business, Contour North helps federal, provincial, municipal, and corporate buyers meet Indigenous procurement and supplier-diversity commitments, including the federal minimum 5% Indigenous procurement target. Eligible for the federal Indigenous Business Directory; registration available on request.
